

ALABAMA FAMILY CHILD CARE ASSOCIATION

We care
For
Alabama's Children

The Alabama Family Child Care Association was established in 2003 as a non-profit, professional organization; open to all licensed and registered family home child care providers throughout Alabama.

The purpose of ALFCCA:

To support family child care providers, promote professionalism and quality child care.

The ALFCCA objectives are:

EDUCATION:

Promote high quality standards through the development of educational programs and operational procedures enabling providers to provide a safe, nurturing and creative environment.

SUPPORT:

Foster the development of local associations and establish a resource center to accommodate the present and future needs of providers.

PUBLIC RELATIONS:

Advocate and support the education of parents, business corporations and the communities of Alabama concerning quality home child care.

REGULATION:

Participate with city, state and federal policy making agencies working for changes, modifications and to implement necessary standards to provide quality home child care of all children.

ADVOCACY:

Work to foster provider benefits and communication through united representation.
